

GB

- ✓ Cleaning of coat, mane and tail without use of water
- ✓ Easy, fast and effective stain remover
- ✓ Easy cleaning of white marks and sweaty areas without water

User instructions:

Shake well before use. Apply a thin layer of Clean & Dry using a cloth or spray on, and immediately dry with a clean dry water-absorbing cloth. Once the horse is dry, brush coat which is then clean and shiny and will be dust and dirt-repellent for a period. For external use only, keep out of reach of children.

Ingredients:

5% or over but less than 15% aliphatic hydrocarbons, less than 5% non-ionic surfactants. Contains preservation agents, Methylisothiazolinone, Benzisothiazolinone, Methylchloroisothiazolinone.

Storage:

Store the product in a dry place and away from heat, direct sunlight and frost.
